## MEET OUR CLINICAL NURSE SUPERVISOR

Hello everyone, my name is Angela. I am very excited to start this amazing opportunity to serve as your new Clinical Nurse Supervisor/DON at Pelican Landing. With almost 20 years of nursing experience, I have developed a strong passion for providing compassionate, resident-centered care and supporting both residents and staff. Outside of work, I spend time with my family and enjoy being at the lake, gardening, and reading a good book. I'm so blessed to have four wonderful grandchildren who bring so much love and joy into my life. I look forward to getting to know each of you!
