Mandy Lundberg

Clinical Nurse Supervisor

I'm a Registered Nurse with nearly 20 years of experience in healthcare, including medical laboratory science, dialysis, PACU, long-term care, and clinical leadership. Throughout my career, I've developed a passion for providing compassionate, high-quality care, supporting my team, and finding ways to continually improve the care we provide. My experience in a variety of healthcare settings has given me an appreciation for the importance of teamwork, communication, and building meaningful relationships with the people we care for.

I'm excited to bring my experience, leadership, and love of caring for others to Pelican Landing, and I look forward to getting to know the residents, families, and staff.

Director of Dining Services

Hi, I'm Chris!
I'm originally from the Park Rapids area and graduated from Nevis High School. I then graduated with a Bachelor's of Science in International Business from MSU Moorhead.

The summer before I finished college, I discovered my passion for cooking. My job was making salads in a supper club near PR, but by the end of the summer, there wasn't anything on the menu I couldn't make. For most of the last 30 years, I've been in the foodservice industry in one way, shape, or fashion. For the last 12 years, I've been lucky enough to have found my way into retirement living communities.

In 2012 I married the love of my life, Melissa and in 2014 we welcomed Adalynne into our lives. She's 12 now and very excited to meet everyone! When I'm not at work, I'm spending time with my wife and family. We have 3 older children and 3 grandchildren. My wife and I spend our free time together. We enjoy fishing, hunting, poker and dining out. Cooking and reading are two of my other hobbies, aside from cheering on the Twins, Vikings, Wild and my daughter's volleyball team. We were lucky enough to move back to lakes country about 5 years ago, and couldn't be happier!

I'm excited to become part of the Pelican Landing family and can't wait to get to know all of you!
